

Samples ellipticity index: 921

Samples ellipticity index: 413

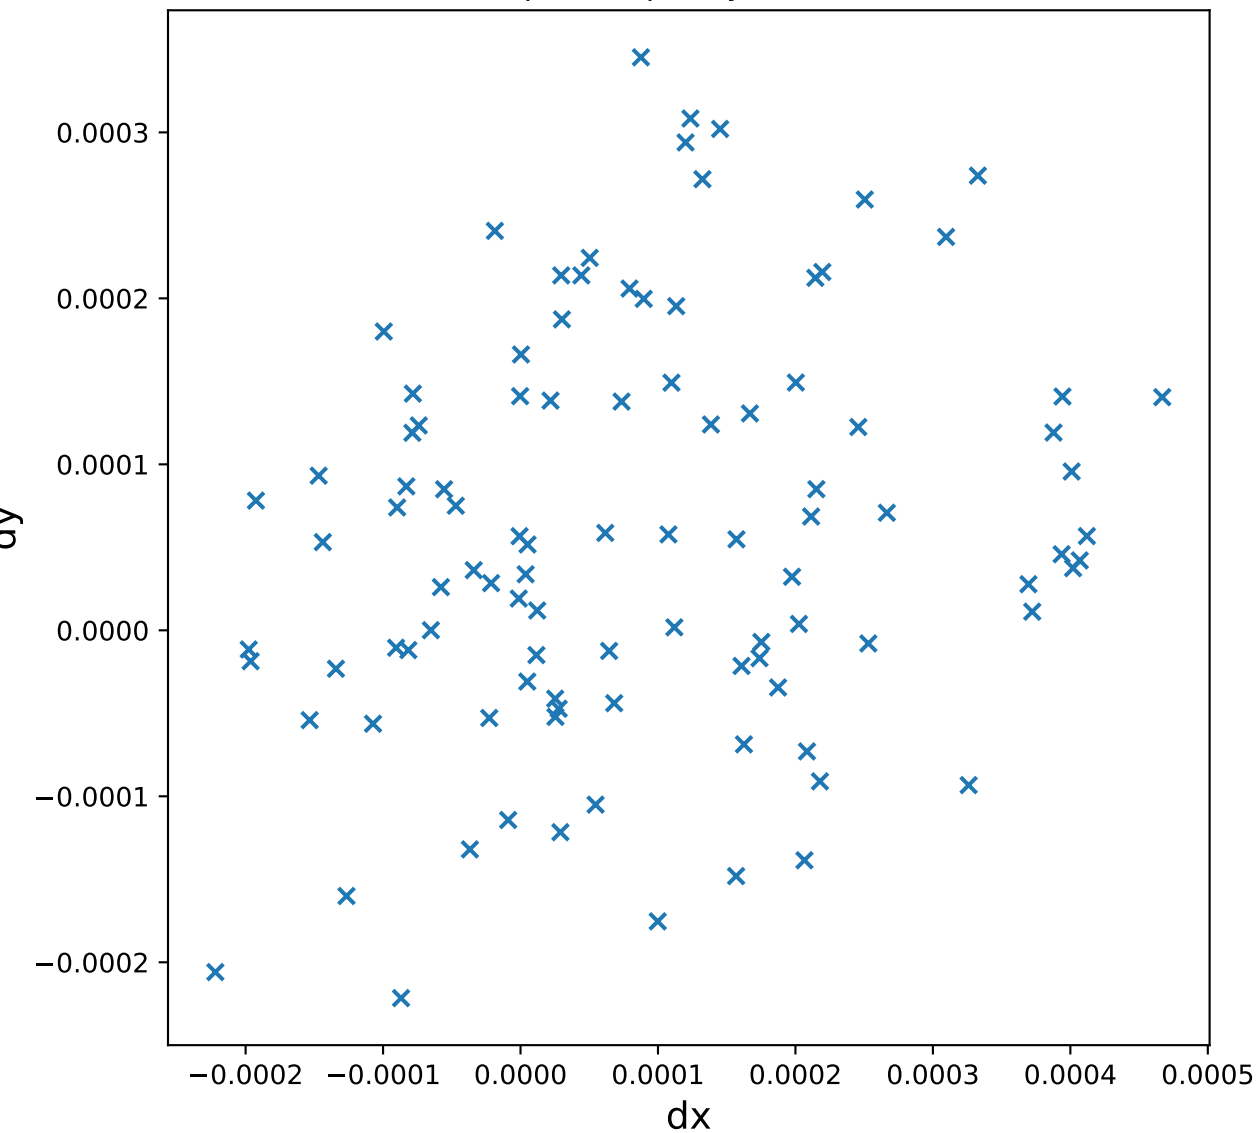

Samples ellipticity index: 496

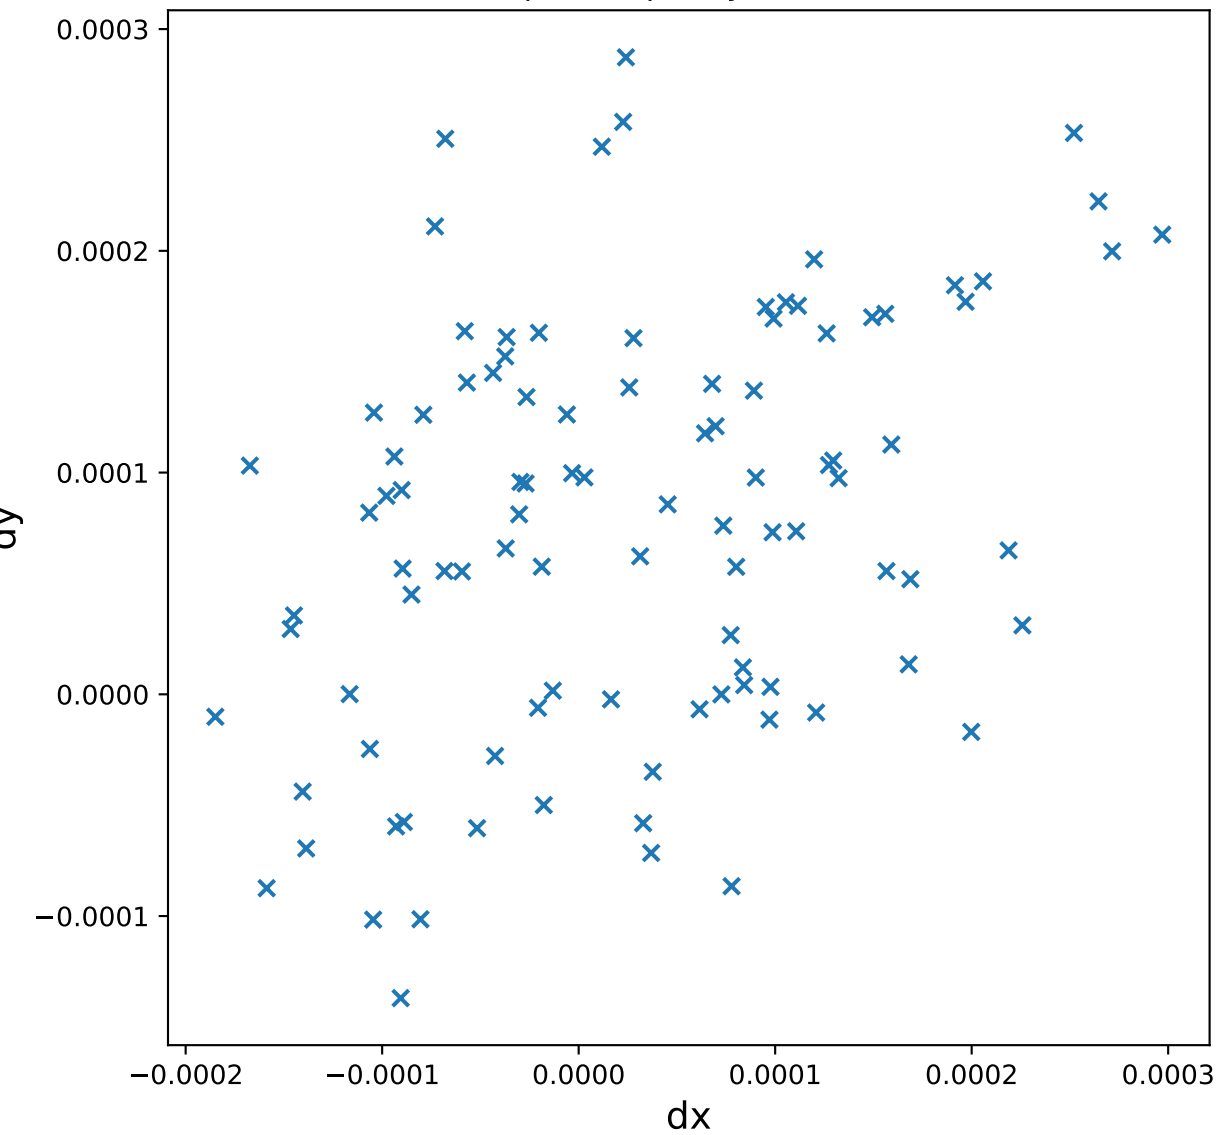

A scatter plot showing the distribution of 100 data points, represented by 'x' marks, within a square frame. The points are distributed across the entire area, with some clusters and some empty space. The points are scattered throughout the square, with a higher density in the center and some isolated points near the corners.

 $dx$
